

Pharmacy Integration Project

Executive Sponsor: Henry Tessmann

Project Sponsor: Kevin Hall

Program/Dept: Pharmacy Program

Project Manager: Frank Krupka

Start Date: December 2006

Finish Date: July 2007

The goal of the Pharmacy Integration Project is to develop and implement plans to fully integrate pharmacy services in the WRHA for the purpose of improving patient services by reducing duplication and improving opportunities for sharing of resources. The objectives of the project are to:

- Establish the WRHA as the employer for all Pharmacy Department Staff
- Consolidate Pharmacy Department budgets into a Regional Pharmacy Program budget
- Establish a single reporting relationship to the Regional Pharmacy Program
- Commence bargaining unit consolidation
- Develop Service Level Agreements between sites and the WRHA Pharmacy Program
