

Rehab System Reconfiguration

Executive Sponsor: Real Cloutier

Project Sponsor: Jo-Ann McKenzie

Program/Dept: Rehab/Geriatrics

Project Manager: Christa Ferreira

Start Date: January 2005

Finish Date: Phase 1 - August 2006

ABC Project 5.1 Rehabilitation Reconfiguration has recommended changes in rehabilitation services in the WRHA based on the review done in 2002 by Price Waterhouse Coopers (PWC). The project has consulted widely with stakeholders who receive care, refer clients, represent clients and provide care. There is a need to reduce LOS, intensify therapy, develop outpatient and community resources. This project will implement the service transfers and enhancements in rehab in a number of phases.
